Career-Profile

I am a third-year Department of Informatics Undergraduate Student at Ionian University. I have developed basic skills in some programming languages that I learn throughout my semester.

Education

High school diploma

3rd year

I BSc in Computer Science
Ionian University

I enjoy University. It's a great challenge and I like to challenge my self with new things! We have interesting exercises in every subject and that's good for us as we learn more and more. Throughout my education I have developed basic programming skills in:

- Java and Javascript
- Python
- C and C++
- Phaser Game Engine(Html and JS)

Languages

Greek (Native)

English (Professional)

Interests

Soccer

Music

Gaming
