Career-Profile

I am a third-year Department of Informatics Undergraduate Student at Ionian University. I have developed basic skills in some programming languages that I learn throughout my semester.

Education

2011-2014

Higher Secondary Education
Lyceum of Pallourgiotissas

2014 - 2016

In high school I took the following exact science's classes: Maths, Physics, Biology and Computer Science. Army Service
National Army Service, Cyprus

3rd year

I served for two years in army service in Cyprus. During my service, I improve some specific skills. They helped us to cultivate team spirit and teamwork. BSc in Computer Science
Ionian University

I enjoy University. It's a great challenge and I like to challenge my self with new things! We have interesting exercises in every subject and that's good for us as we learn more and more. Throughout my education I have developed basic programming skills in:

- Java and Javascript
- Python
- C and C++
- Phaser Game Engine(Html and JS)

Languages

Greek (Native)

English (Professional)

Interests

Football

Music

Gaming
